

Patient Membership Agreement

This is an agreement between you, as a DaySpring Wellness “Member,” and our team here at DaySpring Integrative Wellness, SC, (“DaySpring”), as a professional Maine service corporation located at 1 North Street, Bath, Maine, 04530.

DaySpring is a Direct Integrative Primary Care medical practice owned by Dr. Zach Mazone, D.O., and run by the entire DaySpring team. We are committed to providing you with the best care possible – as described in this agreement – in exchange for your commitment to join the practice as a DaySpring Wellness member.

A distinguishing aspect of a Direct Primary Care medical practice is that it does not bill insurance in any capacity for the services provided. The doctors and employees of DaySpring do not submit bills of any type to any insurance whatsoever – including governmental programs. Instead, we at DaySpring work and contract directly with each patient when they choose to become a practice member.

By signing below and choosing to become a DaySpring Wellness member, you consent to pay your membership fees and to abide by this Agreement and its Attachments and Schedules. In exchange, you will be provided with Direct Integrative Primary Care medical services that are personalized to your health needs and goals. Since we strive to constantly improve our ability to care for you, it will be necessary for us at DaySpring to periodically implement improvements through revisions to the Schedules and Terms contained in this Agreement, yet we will always provide advance notice of any changes prior to them being made. Also, as we review your past and present medical history, we at DaySpring may occasionally ask you to complete additional application forms or other related documents to enable us to access your medical records and provide appropriate care.

In Good Health,
Dr. Zach Mazone, D.O., President of DaySpring Integrative Wellness, S.C.

Attachment A: Dayspring Patient Membership Agreement Terms and Conditions:

1. **Fees:** Member agrees to pay DaySpring, direct integrative primary care practice (DIPC), fees at the rates and in the manner as described in Schedule B (the “Fees”). Prices are updated periodically, and the Member agrees to pay the most current price. If this Agreement is cancelled by either party, then DaySpring will refund the Member’s pro-rated share of the monthly payment after deducting any charges for services rendered with a minimum of 4 (four) months withheld for cancellation.
2. **DaySpring Member:** You are the DaySpring Member for whom the doctor and staff will provide integrative medical and lifestyle services under this Agreement. This contract is a personal agreement between you and us at DaySpring, and it cannot be transferred to another person.
3. **Insurance Opt-Out:** The fees that you as the Member pay for services provided by us at DaySpring are not intended to be advance payments for any form of benefit and do not constitute any form of insurance. You, the Member, acknowledge that DaySpring doctors and clinicians have already opted out of (and are not contracted with) any type of insurance – including any third-party payer, health plan, or governmental program (such as the Medicare Program). Members who are Medicare beneficiaries agree to complete Schedule C (attached) prior to becoming a member. You, the Member, also understand that DaySpring will not bill or otherwise seek payment in any form from any insurer or third-party payer to which the Member may be entitled to benefits or coverage for the Services. Although DaySpring and its doctors and clinicians have chosen to opt out of participation with any insurer, the Member is not prohibited from seeking payment for the services provided from such payers (with the exception of Medicare). However, the Member will be solely responsible for seeking reimbursement from such payers directly. Any Member who is not currently enrolled in Medicare, but who later becomes enrolled in Medicare during his/her membership as a patient of Dayspring, agrees to immediately notify the DaySpring staff and complete the required contract (attached as Schedule C) in order to continue to receive DaySpring Direct Integrative Primary Care services.
4. **Insurance Coverage and Member Fees:** Neither DaySpring, nor its staff, make any representations that Fees paid under this Agreement are covered by the Member’s health insurance or other third-party payment plans. The Member will retain full and complete responsibility for any such determination.
5. **Insurance for Catastrophic Events:** The member acknowledges that this Agreement is not a substitute for health insurance or other health plan coverage (such as membership in a Health Maintenance Organization [HMO]), and that DaySpring, through its agents, has advised the Member to obtain or keep the health insurance policies or plans in order to cover the Member and/or the Member’s family for catastrophic, hospital, and specialist healthcare costs. The Member acknowledges that this Agreement is not a contract that provides health insurance.

Either party may terminate this Agreement, with or without cause, at any time by providing the other party with at least (30) days prior, written notice. If DaySpring terminates this Agreement, then the providers at DaySpring will provide the Member with emergency care and will make efforts to help the Member find another primary care doctor. If the patient terminates the membership prior to the end of the first four (4) months, they understand that their account will be charged the remainder of the first four (4) months of membership. Otherwise, after the Agreement is terminated, the doctor's obligations to the Member will be confined to making his or her health information and records accessible and to be reasonably available to communicate with any successor clinician as authorized and required by the Member. Please notify DaySpring if you cannot make payment via this method. DaySpring makes no statement as to your ability to use your Health Savings Account (HSA) to pay for your membership fees because the IRS laws regarding the use of HSA spending are complicated. Therefore, DaySpring strongly encourages you to contact your Tax Professional and Insurance company for further advice on this issue.

Applicable to Members who are Medicare Beneficiaries

1. 2. DaySpring has informed the Member that Dr. Mazone, D.O, has opted out of being a participating provider in the Medicare Program. The doctor is not excluded from participating in Medicare Part B under Sections 1128, 1156, or 1892, or any other section of the Social Security Act.

5. The Member acknowledges that neither Medicare’s fee limitations nor any other Medicare reimbursement regulations apply to the Fees charged under this Agreement for the Services. 9. The Member understands that Medicare payments will not be made for any items or services furnished by the physician that would have otherwise been covered by Medicare if there were no private contract and a proper Medicare claim were submitted.
10. The Member acknowledges and agrees that a copy of this Agreement shall be maintained by DaySpring, and if requested, shall be produced to any Medicare contractor or agency that may request to see a copy of the Agreement for any reason.
